

A Very Special Thank-You From USW LOCAL 1005

On behalf of the Executive, Members both active and retired we would like to thank the Hamilton Community, the Unions and the Businesses who stood strong behind us in our fight against U.S. Steel during the 11 month Lock Out.

Without your help our struggles would have been much harder to deal with. People like you who defended and supported our efforts did not go unnoticed. We greatly appreciate your assistance and we would like to wish you all:

A Very Merry Christmas & A Happy New Year!
